

## Staff and members of public.

The following information is a **guideline** only:

The dogs *may* show some of the characteristics mentioned in the following.

The colour associated with each dog indicates the level of experience a person/family would need to cope with the particular dog.

<b>Colour:</b>	<b>Characteristics:</b>	<b>Suitable for:</b>
<b>GREEN</b>	Friendly to everyone, laidback, well socialized, good all rounder. Family orientated.	First time owners and families with young children.
<b>ORANGE</b>	Friendly to everyone, basic training and socialization classes required.	Owners who have had some experience of dogs. Families with children that have lived or had frequent contact with dogs
<b>BLUE</b>	Larger breeds, mild behavioral issues, lively, Training and socialization required	Ideally who have owned the 'breed' in question before. Requires physically stronger handler, older children
<b>BLUE</b> +	Advanced training required, behavioral issues, under socialized	Experienced owner. Adult only home

Please be advised by the **Staff** which colour dogs will be suitable for you and your family.

\*breeds will vary considerably.
